Notes to the Financial Statements

December 31, 2013

(Unaudited)

NOTE 1 – NATURE AND CONTINUANCE OF OPERATIONS

Multiplayer Online Dragon, Inc. (the “Company”) was incorporated in the State of Nevada in the United States on July 3, 2008. The principal activity of the Company is planned to be designing, hosting, and marketing collaborative internet search communications systems. On December 21, 2010, as more fully discussed in Note 3, the Company entered into an agreement to participate in a joint venture for the purpose of developing certain computer software programs for commercialization.

These financial statements have been prepared on a going concern basis, which assumes the Company will continue to realize its assets and discharge its liabilities in the normal course of business. The Company has incurred losses totaling \$607,550 for the period from July 3, 2008 (inception) to December 31, 2013. While the Company had working capital of \$43,991 as at December 31, 2013, the Company is committed to incurring substantive research and development expenses in a software development joint venture (Note 3). Accordingly, it is likely the Company will continue to experience significant losses in the foreseeable future, for which it will continue to be dependent upon additional funding through private placements. There is no assurance that such funding, which may continue to include related party sources (Note 5), will be available in the future.

These factors raise substantial doubt regarding the Company’s ability to continue as a going concern. These financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

NOTE 2 – INTERIM FINANCIAL STATEMENTS

The unaudited interim financial statements as of December 31, 2013 and for the nine months ended December 31, 2013 and 2012 have been prepared in accordance with accounting principles generally accepted in the United States for interim financial information and with instructions to Form 10-Q. In the opinion of management, the unaudited financial statements have been prepared on the same basis as the annual financial statements and reflect all adjustments, which include only normal recurring adjustments, necessary to present fairly the financial position as of December 31, 2013 and the results of operations and cash flows for periods ended December 31, 2013 and 2012. The financial data and other information disclosed in these notes to the interim financial statements related to these periods are unaudited. The results for the nine ended December 31, 2013 are not necessarily indicative of the results to be expected for any subsequent quarter of the entire year ending March 31, 2014. The balance sheet at March 31, 2013 has been derived from the audited financial statements at that date.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States have been condensed or omitted pursuant to the Securities and Exchange Commission’s rules and regulations. These unaudited financial statements should be read in conjunction with our audited financial statements and notes thereto for the year ended March 31, 2013 as included in our report on Form 10-K filed on July 10, 2013.

NOTE 3 – JOINT VENTURE AGREEMENT

On December 21, 2010, the Company executed an agreement with Webprizm.com, a Nevada corporation (“Webprizm”), and Brenner Family Holding Corp. (“Brenner”). Webprizm is a wholly owned subsidiary of Brenner. Brenner is owned by a trust which beneficiaries include family of the Company’s former (from December 21, 2010 to July 12, 2012) Chief Executive Officer.

NOTE 3 – JOINT VENTURE AGREEMENT (Continued)

The agreement provides for a joint venture between the Company and Webprizm for the purpose of developing the project (computer software programs known as “the webprizm system”) for commercialization. The Company agreed to incur a minimum of \$10,000,000 in research and development expenses with respect to the commercialization of the project (the “Expenditures”) on or before December 21, 2015 and Webprizm granted the Company an exclusive license to use and sublicense (with prior written consent of Webprizm) the Project and any Improvements. Net revenue from the project (none through September 30, 2013) is to be divided equally between Webprizm and the Company within 60 days of the end of calendar year end.

The agreement also granted the Company an option to acquire all outstanding shares of Webprizm or its assets (exercisable only after the Expenditures have been incurred on or before December 21, 2015) in exchange for delivery of shares of the Company representing 51% of all voting rights attached to all outstanding securities. The Company may decide not to exercise the option by providing written notice to Brenner. In such event, the joint venture, the license, the option, and the agreement are to be terminated immediately.

The first payment to Webprizm was made on February 2, 2011 in the amount of \$328,997, representing Webprizm’s actual research and development costs incurred from August 17, 2009 to December 31, 2010. The Company expensed the \$328,997 as research and development costs in the fiscal year March 31, 2011.

NOTE 4 – DUE TO ADMINISTRATIVE SERVICES COMPANY

On March 25, 2011, Magnus Management (2006) Ltd. (an administrative services company) advanced \$15,000 on behalf of the Company to the Company’s law firm in connection with the Company’s planned public offering. The \$15,000 advance due to Magnus is non-interest bearing, unsecured, and due on demand.

NOTE 5 – DUE TO RELATED PARTY

At December 31, 2013, the Company is indebted to the former Chairman of the Company (resigned effective August 5, 2011) for cash advances and expenses paid of \$41,541 (March 31, 2013 - \$32,632). The amount is unsecured, non-interest bearing, has no specific terms of repayment, and will not be demanded within the following fiscal year.

NOTE 6 – COMMON STOCK

- e) The Company has no stock option plan and has not issued any warrants or other potentially dilutive securities.

NOTE 7 – INCOME TAXES

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

This section of this quarterly report includes a number of forward-looking statements that reflect our current views with respect to future events and financial performance. Forward-looking statements are often identified by words like: believe, expect, estimate, anticipate, intend, project and similar expressions, or words which, by their nature, refer to future events. You should not place undue certainty on these forward-looking statements, which apply only as of the date of this report. These forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical results or our predictions.

Plan of Operations

We are a start-up corporation and have not yet generated or realized any revenues from our business operations. Our auditors have issued a going concern opinion. This means that there is substantial doubt that we can continue as an on-going business for the next twelve months unless we obtain additional capital to pay our bills. This is because we have not generated any revenues. There is no assurance we will ever reach this point.

Results of Operations

On March 1, 2009, we sold 80,000,000 post-split restricted shares of common stock to Yuan Kun Deng, our former president and a member of the board of directors and raised \$10,000.

Since inception we have retained an auditor and attorney in connection with our public offering. Further, we have started to map architecture and review contracting and staffing needs.

Effective November 5, 2010, the Company effected an 8 for 1 forward stock split, increasing the issued and outstanding shares of common stock from 12,000,000 shares to 96,000,000 shares. All shares and per share amounts have been revised to retroactively reflect this stock split.

For the nine months ended December 31, 2013 as compared to December 31, 2012

During the nine months ended December 31, 2013, we had a loss of \$21,382 versus a loss of \$22,353 for the nine months ended December 31, 2012. The loss for both periods relates mainly to general administrative and filing expenses.

Limited Operating History; Need for Additional Capital

There is no historical financial information about us upon which to base an evaluation of our performance. We have not generated any revenues from operations. We cannot guarantee we will be successful in our business operations. Our business is subject to risks inherent in the establishment of a new business enterprise, including limited capital resources and possible cost overruns due to price and cost increases in services.

To become profitable and competitive, we have to be able to attract customers and generate revenues. We have no assurance that future financing will be available to us on acceptable terms. If financing is not available on satisfactory terms, we may be unable to continue, develop or expand our operations. Equity financing could result in additional dilution to existing shareholders.

Liquidity and Capital Resources

As of the date of this report, we have not generated any revenues. We are currently in the start-up stage of our operations.

To meet our initial need for cash we sold 80,000,000 restricted shares of common stock to Yuan Kun Deng, our former president and a member of the board of directors, in consideration of \$10,000.

At the present time, we have not made any arrangements to raise additional cash and we have no other financing plans.

As of December 31, 2013, our total assets was \$61,141 comprised only of cash and our total liabilities was \$58,691.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.

We are a smaller reporting company as defined by Rule 12b-2 of the Securities Exchange Act of 1934 and are not required to provide the information under this item.

ITEM 4. CONTROLS AND PROCEDURES.

Under the supervision and with the participation of our management, including the Principal Executive Officer and Principal Financial Officer, we have evaluated the effectiveness of our disclosure controls and procedures as required by Exchange Act Rule 13a-15(b) as of the end of the period covered by this report. Based on that evaluation, the Principal Executive Officer and Principal Financial Officer have concluded that these disclosure controls and procedures are effective. There was no change in our internal control over financial reporting during the quarter ended December 31, 2013 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II - OTHER INFORMATION.

ITEM 1A. RISK FACTORS.

We are a smaller reporting company as defined by Rule 12b-2 of the Securities Exchange Act of 1934 and are not required to provide the information under this item.
