Director Independence

During the fiscal year ended March 31, 2014, we did not have any independent directors on our Board of Directors. Our Incoming Director is not expected to be independent. We evaluate independence by the standards for director independence established by applicable laws, rules, and listing standards, including, without limitation, the standards for independent directors established by the New York Stock Exchange, Inc., the NASDAQ National Market, and the SEC.

Meetings and Committees of the Board

Our Board of Directors held no formal meetings during the fiscal year ended March 31, 2014. All proceedings of the Board of Directors were conducted by resolutions consented to in writing by the sole director and filed with the minutes of the proceedings of the board of directors. Such resolutions consented to in writing by the sole director entitled to vote on that resolution at a meeting of the board of directors are, according to the Nevada Revised Statutes and the Bylaws of our Company, as valid and effective as if they had been passed at a meeting of the directors duly called and held. We do not presently have a policy regarding director attendance at meetings.

We do not currently have standing audit, nominating or compensation committees, or committees performing similar functions. Due to the size of our Board, our Board of Directors believes that it is not necessary to have standing audit, nominating or compensation committees at this time because the functions of such committees are adequately performed by our Board of Directors. We do not have a nominating or compensation committee charter as we do not currently have such committees. We do not have a policy for electing members to the Board.

Audit Committee

Our Board of Directors has not established a separate audit committee within the meaning of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Instead, the entire Board of Directors acts as the audit committee within the meaning of Section 3(a)(58)(B) of the Exchange Act and will continue to do so upon the appointment of the Incoming Director until such time as a separate audit committee has been established.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and shareholders holding more than 10% of our outstanding Common Stock to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of our Common Stock. Executive officers, directors, and persons who own more than 10% of our Common Stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely upon a review of Forms 3, 4, and 5 delivered to us as filed with the SEC during our most recent fiscal year, none of our executive officers and directors, and persons who own more than 10% of our Common Stock failed to timely file the reports required pursuant to Section 16(a) of the Exchange Act, except that Mr. Frank Underhill, Sr. failed to file a Form 3.

Family Relationships

There are no family relationships between or among the directors, executive officers or persons nominated or chosen by us to become directors or executive officers.

Nominations to the Board of Directors

Our directors take a critical role in guiding our strategic direction and oversee the management of the Company. Board of Director candidates are considered based upon various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of the shareholders, diversity, and personal integrity and judgment. While we seek a diversity of experience, viewpoints and backgrounds on the Board, we have not established a formal policy regarding diversity in identifying directors.

In addition, directors must have time available to devote to Board activities and to enhance their knowledge in the growing business. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

In carrying out its responsibilities, the Board of Directors will consider candidates suggested by shareholders. If a shareholder wishes to formally place a candidate's name in nomination, however, such shareholder must do so in accordance with the provisions of the Company's Bylaws. Suggestions for candidates to be evaluated by the directors must be sent to the Board of Directors, c/o Multiplayer Online Dragon, Inc., 9477 Greenback Lane, Suite 524A, Folsom, CA 95630. The Board has determined not to adopt a formal methodology for communications from shareholders.
