Pursuant to the terms of the Agreement, the Company will acquire substantially all of the assets of NSH (the “Assets”), which assets consist primarily of all of the issued and outstanding shares of capital stock of NaturalShrimp Corporation, a Delaware corporation, and NaturalShrimp Global, Inc., a Delaware corporation, and certain real property located in San Antonio, Texas (the “Transaction”). In consideration of the transfer of the Assets, the Company expects to issue to NSH the number of shares of common stock of the Company equal to the sum of (i) the number of shares of common stock and preferred stock of NSH issued and outstanding as of the closing date, and (ii) the number of shares of common stock underlying any outstanding warrants of NSH, or 75,520,240 shares of common stock (the “Consideration”). The Consideration will represent approximately 88.62% of the outstanding common stock of the Company immediately following the closing on a fully diluted basis.

The Agreement has been approved by the boards of directors of each of the parties to the Agreement. Subject to any requisite approvals, and other customary closing conditions, the Transaction is expected to be completed no later than five (5) days after the closing conditions set forth in the Agreement have either been satisfied or waived by the appropriate party. The conditions to the closing the Transaction include, without limitation, (i) approval of NSH’s stockholders to the Agreement and the Transaction, and (ii) gross proceeds of at least \$1,500,000 pursuant to a private placement offering of shares of the Company’s common stock.

The description of the Transaction does not purport to be complete and is subject to further negotiation between the Company and NSH. It is currently anticipated that the closing will occur on or before January 23, 2015. The Company intends to file a Current Report on Form 8-K upon the closing of the Transaction.

In connection with the closing of the Transaction, there will be a change in the majority of the Company’s Board of Directors.

Specifically, Messrs. Gerald Easterling and Bill G. Williams will be appointed as additional directors of the Company (the “Incoming Directors”). In addition, Mr. Delgado will resign from his positions as President, Secretary and Treasurer of the Company. Mr. Bill G. Williams will be appointed as the Chairman of the Board and Chief Executive Officer of the Company, Mr. Gerald Easterling will be appointed as the President and Secretary of the Company, Mr. Alexander Baez will be appointed as the Chief Financial Officer of the Company, and Mr. Thomas Untermeyer will be appointed as the Chief Technology Officer of the Company (collectively, the “Incoming Officers”).

This Information Statement is being mailed on or about January 22, 2015 to all holders of record on such date. A shareholder vote is not required and will not be taken with respect to the appointment of the Incoming Directors and Incoming Officers. Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder require the mailing to our shareholders of record of the information set forth in this Information Statement at least ten (10) days prior to the date a change in a majority of our directors occurs (otherwise than at a meeting of our stockholders). Accordingly, the resulting change in a majority of our directors will not occur until at least ten (10) days following the mailing of this Information Statement. You are not required to take any action with respect to the appointment of the Incoming Directors and Incoming Officers.

The Shares were acquired for an aggregate purchase price of \$310,000. Dragon was the source of the funds used to acquire the Shares.

The Company's Incoming Officers will be appointed by the Company's Board of Directors and will hold office until removed by the Board of Directors in accordance with the Bylaws and the provisions of the Nevada Revised Statutes.

Certain Relationships and Transactions

There are no family relationships between any of our current director or executive officer and the Incoming Directors and Incoming Officers. To our knowledge, and except as set forth below, none of the Incoming Directors and Incoming Officers are currently a director of the Company, hold any other position with the Company, or have been involved in any material proceeding adverse to the Company or its subsidiary or have a material interest adverse to the Company or its subsidiary, or any transactions with the Company or any of its directors, executive officers, affiliates, or associates that are required to be disclosed pursuant to the rules and regulations of the SEC.

In accordance with the terms of the Transaction, NSH will receive 75,520,240 shares of Common Stock. Mr. Williams is the owner of 100,000 shares of the outstanding common stock of NSH. On account of these holdings and Mr. Williams' position as the Chairman of the Board and CEO of NSH, Mr. Williams may have the authority to direct the distribution of the Consideration. In connection with his employment with the Company, it is also expected that Mr. Williams will be granted an option to purchase up to 5,000,000 shares of Common Stock under the Company's 2015 Equity Incentive Plan, which will vest at various times subject to his continuous service to the Company. Additionally, Mr. Easterling is the owner of 4,136,667 shares of the outstanding common stock of NSH. On account of these holdings and Mr. Easterling's position as a director and President of NSH, Mr. Easterling may have the authority to direct the distribution of the Consideration. In connection with his employment with the Company, it is also expected that Mr. Easterling will be granted an option to purchase 5,000,000 shares of Common Stock under the Company's 2015 Equity Incentive Plan, which will vest at various times subject to his continuous service to the Company.

In addition to the foregoing, Mr. Williams, Mr. Easterling, and their respective families, including their spouses and children have made loans to NSH and made personal guarantees for the debts of NSH. As a result of the Transaction, these debts will be assumed by the Company. The assumption of the debt by the Company represents a significant benefit to Mr. Williams, Mr. Easterling and their family, spouses and children.

Other than the Transaction noted above, there are no transactions, since the beginning of the Company's last fiscal year, or any currently proposed transaction, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company's total assets at year-end for the last three completed fiscal years, and in which any of the current directors or officers or the incoming directors and officers had or will have a direct or indirect material interest. There is no material plan, contract or arrangement (whether or not written) to which any of the current directors or officers or the incoming directors and officers is a party or in which they participate that is entered into or material amendment in connection with our appointment of any of the current directors or officers or the incoming directors and officers, or any grant or award to any of the current directors or officers or the incoming directors or officers or modification thereto, under any such plan, contract or arrangement in connection with our appointment of any of the current directors or officers or the incoming director and officer.

Review, Approval or Ratification of Transactions with Related Persons

Although we have adopted a Code of Ethics and we also rely on our Board to review related party transactions on an ongoing basis to prevent conflicts of interest. Our Board reviews a transaction in light of the affiliations of the director, officer or employee and the affiliations of such person's immediate family. Transactions are presented to our Board for approval before they are entered into or, if this is not possible, for ratification after the transaction has occurred. If our Board finds that a conflict of interest exists, then it will determine the appropriate remedial action, if any. Our Board approves or ratifies a transaction if it determines that the transaction is consistent with the best interests of the Company.

Director Independence

During the fiscal year ended March 31, 2014, we did not have any independent directors on our Board of Directors. Our Incoming Directors are not expected to be independent. We evaluate independence by the standards for director independence established by applicable laws, rules, and listing standards, including, without limitation, the standards for independent directors established by the New York Stock Exchange, Inc., the NASDAQ National Market, and the SEC.

Subject to some exceptions, these standards generally provide that a director will not be independent if (a) the director is, or in the past three years has been, an employee of ours; (b) a member of the director's immediate family is, or in the past three years has been, an executive officer of ours; (c) the director or a member of the director's immediate family has received more than \$120,000 per year in direct compensation from us other than for service as a director (or for a family member, as a non-executive employee); (d) the director or a member of the director's immediate family is, or in the past three years has been, employed in a professional capacity by our independent public accountants, or has worked for such firm in any capacity on our audit; (e) the director or a member of the director's immediate family is, or in the past three years has been, employed as an executive officer of a company where one of our executive officers serves on the compensation committee; or (f) the director or a member of the director's immediate family is an executive officer of a company that makes payments to, or receives payments from, us in an amount which, in any twelve-month period during the past three years, exceeds the greater of \$1,000,000 or two percent of that other company's consolidated gross revenues.

Meetings and Committees of the Board

Our Board of Directors held no formal meetings during the fiscal year ended March 31, 2014. All proceedings of the Board of Directors were conducted by resolutions consented to in writing by the sole director and filed with the minutes of the proceedings of the board of directors. Such resolutions consented to in writing by the sole director entitled to vote on that resolution at a meeting of the board of directors are, according to the Nevada Revised Statutes and the Bylaws of our Company, as valid and effective as if they had been passed at a meeting of the directors duly called and held. We do not presently have a policy regarding director attendance at meetings.

We do not currently have standing audit, nominating or compensation committees, or committees performing similar functions. Due to the size of our Board, our Board of Directors believes that it is not necessary to have standing audit, nominating or compensation committees at this time because the functions of such committees are adequately performed by our Board of Directors. We do not have a nominating or compensation committee charter as we do not currently have such committees.

Audit Committee

Our Board of Directors has not established a separate audit committee within the meaning of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Instead, the entire Board of Directors acts as the audit committee within the meaning of Section 3(a)(58)(B) of the Exchange Act and will continue to do so upon the appointment of the Incoming Director until such time as a separate audit committee has been established.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and shareholders holding more than 10% of our outstanding Common Stock to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of our Common Stock. Executive officers, directors, and persons who own more than 10% of our Common Stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely upon a review of Forms 3, 4, and 5 delivered to us as filed with the SEC during our most recent fiscal year, none of our executive officers and directors, and persons who own more than 10% of our Common Stock failed to timely file the reports required pursuant to Section 16(a) of the Exchange Act, except that Mr. Frank Underhill, Sr. failed to file a Form 3.

Family Relationships

There are no family relationships between or among the directors, executive officers or persons nominated or chosen by us to become directors or executive officers.

Nominations to the Board of Directors

Our directors take a critical role in guiding our strategic direction and oversee the management of the Company. Board of Director candidates are considered based upon various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of the shareholders, diversity, and personal integrity and judgment. While we seek a diversity of experience, viewpoints and backgrounds on the Board, we have not established a formal policy regarding diversity in identifying directors.

In addition, directors must have time available to devote to Board activities and to enhance their knowledge in the growing business. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

In carrying out its responsibilities, the Board of Directors will consider candidates suggested by shareholders. If a shareholder wishes to formally place a candidate's name in nomination, however, such shareholder must do so in accordance with the provisions of the Company's Bylaws. Suggestions for candidates to be evaluated by the directors must be sent to the Board of Directors, c/o Multiplayer Online Dragon, Inc., 9477 Greenback Lane, Suite 524A, Folsom, CA 95630. The Board has determined not to adopt a formal methodology for communications from shareholders.

Board Leadership Structure and Role on Risk Oversight

Mr. William Delgado currently serves as the Company's President and sole director. We determined this leadership structure was appropriate for the Company due to our small size and limited operations and resources. The Incoming Directors will continue to evaluate the Company's leadership structure and modify such structure as appropriate based on the size, resources, and operations of the Company.

Subsequent to the closing of the Transaction, it is anticipated that the Board of Directors will establish procedures to determine an appropriate role for the Board of Directors in the Company's risk oversight function. Our Board of Directors is exclusively involved in the general oversight of risks that could affect our Company.

Board Compensation

We have no standard arrangement to compensate directors for their services in their capacity as directors. Directors are not paid for meetings attended. All travel and lodging expenses associated with corporate matters are reimbursed by us, if and when incurred.
