Item 1.01 Entry into a Material Definitive Agreement.

\$10,000,000 Common Stock Equity Financing

On April 28, 2023, NaturalShrimp Incorporated (the "Company") entered into an Equity Financing Agreement ("Equity Financing Agreement") and Registration Rights Agreement ("Registration Rights Agreement") with GHS Investments LLC, a Nevada limited liability company ("GHS"). Under the terms of the Equity Financing Agreement, GHS agreed to provide the Company with up to \$10,000,000 upon effectiveness of a registration statement on Form S-1 (the "Registration Statement") filed with the U.S. Securities and Exchange Commission (the "Commission").

Following effectiveness of the Registration Statement, the Company shall have the discretion to deliver puts to GHS and GHS will be obligated to purchase shares of the Company's common stock, par value \$0.0001 per share (the "Common Stock") based on the investment amount specified in each put notice. The maximum amount that the Company shall be entitled to put to GHS in each put notice shall not exceed two hundred percent (200%) of the average daily trading dollar volume of the Company's Common Stock during the ten (10) trading days preceding the put, so long as such amount does not equal less than ten thousand dollars (\$10,000) or greater than one million dollars (\$1,000,000). Pursuant to the Equity Financing Agreement, GHS and its affiliates will not be permitted to purchase and the Company may not put shares of the Company's Common Stock to GHS that would result in GHS's beneficial ownership equaling more than 4.99% of the Company's outstanding Common Stock. The price of each put share shall be equal to eighty percent (80%) of the Market Price (as defined in the Equity Financing Agreement). Following an up-list to the NASDAQ or equivalent national exchange, the price of each put share shall be equal to ninety percent (90%) of the Market Price, subject to a floor price of \$1.00 per share. Puts may be delivered by the Company to GHS until the earlier of twenty-four (24) months after the effectiveness of the Registration Statement or the date on which GHS has purchased an aggregate of \$10,000,000 worth of Common Stock under the terms of the Equity Financing Agreement.

The Registration Rights Agreement provides that the Company shall (i) use its commercially reasonable efforts to file with the Commission the Registration Statement within forty-five (45) days of the date of the Registration Rights Agreement; and (ii) have the Registration Statement declared effective by the Commission within sixty (60) days after the date the Registration Statement is filed with the Commission, but in no event more than one hundred twenty (120) days after the Registration Statement is filed.

The foregoing is only a brief description of the material terms of the Equity Financing Agreement and Registration Rights Agreement, and does not purport to be a complete description of the rights and obligations of the parties thereunder, and such descriptions are qualified in their entirety by reference to the Equity Financing Agreement and Registration Rights Agreement filed as Exhibits 10.1, and 10.2, respectively, to this Current Report on Form 8-K.

GHS Purchase Agreement

On May 9, 2023, the Company entered into a purchase agreement (the “GHS Purchase Agreement”) with GHS, an accredited investor, in a directly negotiated transaction. Pursuant to the GHS Purchase Agreement, the Company may require GHS to purchase a maximum of up to Forty Five Million Nine Hundred Twenty three Thousand and Nine Hundred Twenty Nine (45,923,929) shares of the Company’s common stock (“GHS Purchase Shares”) based on a total aggregate purchase price of up to Six Million Dollars (\$6,000,000) over a one-year term that ends on May 9, 2024. If the full Six Million Dollars (\$6,000,000) of GHS Purchase Shares is purchased, the Company estimates that the net proceeds from the sale of the shares of GHS Purchase Shares, after deducting estimated offering expenses payable by the Company (including to financial advisors) will be approximately \$5,820,000. The Company intends to use the net proceeds from this offering for working capital and general corporate purposes.

The GHS Purchase Agreement provides that, upon the terms and subject to the conditions and limitations set forth in the agreement, the Company has the right from time to time during the term of the agreement, in its sole discretion, to deliver to GHS a purchase notice (a “Purchase Notice”) directing GHS to purchase (each, a “GHS Purchase”) a specified number of GHS Purchase Shares. A GHS Purchase will be made in a minimum amount of Ten Thousand Dollars (\$10,000) and up to a maximum of One Million Five Hundred Thousand Dollars (\$1,500,000) and provided that, the purchase amount for any purchase will not exceed two hundred percent (200%) of the average of the daily trading dollar volume of the Company’s common stock (the “Common Stock”) during the ten (10) business days preceding the purchase date. Notwithstanding the foregoing dollar limitations, the Company and GHS may, from time to time, mutually agree (in writing) to waive the aforementioned limitations for a relevant Purchase Notice, which waiver, for the avoidance of doubt, shall not exceed the 4.99% beneficial ownership limitation contained in the GHS Purchase Agreement. The “Purchase Price” means, with respect to a purchase made pursuant to the GHS Purchase Agreement, 90% of the lowest VWAP (as defined in the GHS Purchase Agreement) during the Valuation Period (the ten (10) consecutive business days immediately preceding, but not including, the applicable purchase date). The Company shall deliver a number of GHS Purchase Shares equal to 112.5% of the aggregate purchase amount for such GHS Purchase divided by the Purchase Price per share for such GHS Purchase, against payment by GHS to the Company of the purchase amount with respect to such Purchase (less documented deposit and clearing fees, if any), as full payment for such GHS Purchase Shares via wire transfer of immediately available funds.

The GHS Purchase Agreement prohibits the Company from directing GHS to purchase any GHS Purchase Shares if those shares, when aggregated with all other shares of Common Stock then beneficially owned by GHS and its affiliates, would result in GHS and its affiliates having beneficial ownership, at any single point in time, of more than 4.99% of the then total outstanding shares of the Common Stock.

The Company will control the timing and amount of any sales of GHS Purchase Shares to GHS.

Events of default under the GHS Purchase Agreement include the following:

- the effectiveness of the registration statement registering the sale of the GHS Purchase Shares lapses for any reason (including, without limitation, the issuance of a stop order or similar order) or such registration statement (or the prospectus forming a part thereof) is unavailable to GHS for resale of any or all of the GHS Purchase Shares to be issued to GHS under the GHS Purchase Agreement;
- the Common Stock is suspended from trading on the principal market for a period of two consecutive trading days, during which time the Company may not direct GHS to purchase any shares during that time;
- the Common Stock is delisted such that the Common Stock is not trading on any principal market;
- the failure for any reason by the transfer agent to issue GHS Purchase Shares to GHS within three (3) business days after the date on which GHS was entitled to receive the shares;
- the Company breaches any representation, warranty, covenant or other term or condition under the GHS Purchase Agreement, its Schedules, or any related document if the breach could have a material adverse effect and except, in the case of a breach of a covenant that is reasonably curable, only if the breach continues for a period of at least five (5) business days;

- a proceeding against the Company is commenced by any person or entity pursuant to or within the meaning of any bankruptcy law;
- the Company, pursuant to or within the meaning of any bankruptcy law, (i) commences a voluntary case, (ii) consents to the entry of an order for relief against it in an involuntary case, (iii) consents to the appointment of a custodian of it or for all or substantially all of its property, or (iv) makes a general assignment for the benefit of its creditors or is generally unable to pay its debts as they become due;
- a court of competent jurisdiction enters an order or decree under any bankruptcy law that (i) is for relief against the Company in an involuntary case, (ii) appoints a custodian of the company or for all or substantially all of its property, or (iii) orders the liquidation of the Company; or
- if at any time the Company is not eligible to transfer its Common Stock electronically as DWAC Eligible.

So long as an Event of Default has occurred and is continuing, the Company shall not deliver to GHS any Purchase Notice.

The GHS Purchase Shares will be issued to GHS in a registered direct offering (the “Offering”), pursuant to which the GHS Purchase Shares are registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to a prospectus supplement to the Company’s currently effective registration statement on Form S-3 (File No. 333-253953), which was initially filed with the U.S. Securities and Exchange Commission (the “SEC”) on March 5, 2021, and was declared effective on March 22, 2021 (the “Shelf Registration Statement”). A prospectus supplement for the Offering was filed on May 10, 2023 and is available on the SEC’s web site at <http://www.sec.gov>.

The GHS Purchase Agreement contains customary representations, warranties and agreements by the Company and GHS, customary conditions to closing, indemnification obligations of the parties, including for liabilities under the Securities Act and other obligations of the parties.

Further, pursuant to the terms of the GHS Purchase Agreement, from May 9, 2023 until the date that is the later of (i) the closing of the transactions whereby Yotta Merger Sub, Inc. will merge with and into the Company, with the Company as the surviving company (the “Merger”); and (ii) the 12 month anniversary of the initial closing pursuant to the Section 2(a) of GHS Purchase Agreement, upon any issuance by the Company or any of its subsidiaries of Common Stock or Common Stock equivalents for cash consideration, indebtedness or a combination of units thereof (a “Subsequent Financing”), GHS shall have the right to participate in any financing, up to an amount of the Subsequent Financing equal to 100% of the Subsequent Financing (the “Participation Maximum”) on the same terms, conditions and price provided for in the Subsequent

Financing. Following the Merger, the Participation Maximum shall be 50% of the Subsequent Financing.

The foregoing description of the GHS Purchase Agreement is qualified in its entirety by reference to the full text of such GHS Purchase Agreement, which is attached as Exhibit 10.3 to this Current Report on Form 8-K, and which is incorporated herein in its entirety by reference. The Company is filing the opinion of its counsel, Lucosky Brookman LLP, relating to the legality of the issuance and sale of the GHS Purchase Shares as Exhibit 5.1 hereto. Exhibit 5.1 is incorporated herein by reference and into the Shelf Registration Statement.

If such issuance of shares of Common Stock could cause a delisting on the Principal Market then the Maximum Common Stock Issuance shall first be approved by the Company’s shareholders in accordance with applicable law and the By-laws and the Articles of Incorporation of the Company. The parties understand and agree that the Company’s failure to seek or obtain such shareholder approval shall in no way adversely affect the validity and due authorization of the issuance and sale of Securities or the Investor’s obligation in accordance with the terms and conditions hereof to purchase a number of Shares in the aggregate up to the Maximum Common Stock Issuance, and that such approval pertains only to the applicability of the Maximum Common Stock Issuance limitation provided in this [Section 2.5](#).

2.7 COMMITMENT SHARES. Concurrently with the execution of this Agreement, the Company shall issue \$50,000 worth of shares to the Investor (“**Commitment Shares**”). 9

4.6 SEC DOCUMENTS; FINANCIAL STATEMENTS. As of the date hereof, the Company has filed all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the reporting requirements of the 1934 Act (all of the foregoing filed prior to the date hereof and all exhibits included therein and financial statements and schedules thereto and documents incorporated by reference therein, and amendments thereto, being hereinafter referred to as the “**SEC Documents**”). The Company has delivered to the Investor or its representatives, or they have had access through EDGAR to, true and complete copies of the SEC Documents. As of their respective filing dates, the SEC Documents complied in all material respects with the requirements of the 1934 Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC or the time they were amended, if amended, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. No other written information provided by or on behalf of the Company to the Investor which is not included in the SEC Documents, including, without limitation, information referred to in Section 4.3 of this Agreement, contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstance under which they are or were made, not misleading. Neither the Company nor any of its Subsidiaries or any of their officers, directors, employees or agents have provided the Investor with any material, nonpublic information which was not publicly disclosed prior to the date hereof and any material, nonpublic information provided to the Investor by the Company or its Subsidiaries or any of their officers, directors, employees or agents prior to any Closing Date shall be publicly disclosed by the Company prior to such Closing Date.

4.7 ABSENCE OF CERTAIN CHANGES. Except as otherwise set forth in the SEC Documents, the Company does not intend to change the business operations of the Company in any material way. The Company has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any bankruptcy law nor does the Company or its Subsidiaries have any knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy proceedings.

4.8 ABSENCE OF LITIGATION AND/OR REGULATORY PROCEEDINGS. Except as set forth in the SEC Documents, there is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the executive officers of Company or any of its Subsidiaries, threatened against or affecting the Company, the Common Stock or any of the Company’s Subsidiaries or any of the Company’s or the Company’s Subsidiaries’ officers or directors in their capacities as such, in which an adverse decision could have a Material Adverse Effect.

4.9 ACKNOWLEDGMENT REGARDING INVESTOR’S PURCHASE OF SHARES. The Company acknowledges and agrees that the Investor is acting solely in the capacity of an arm’s length investor with respect to the Registered Offering Transaction Documents and the transactions contemplated hereby and thereby. The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Registered Offering Transaction Documents and the transactions contemplated hereby and thereby and any advice given by the Investor or any of its respective representatives or agents in connection with the Registered Offering Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to the Investor’s purchase of the Securities, and is not being relied on by the Company. The Company further represents to the Investor that the Company’s decision to enter into the Registered Offering Transaction Documents has been based solely on the independent evaluation by the Company and its representatives.

4.10 NO UNDISCLOSED EVENTS, LIABILITIES, DEVELOPMENTS OR CIRCUMSTANCES. Except as set forth in the SEC Documents, as of the date hereof, no event, liability, development or circumstance has occurred or exists, or to the Company’s knowledge is contemplated to occur, with respect to the Company or its Subsidiaries or their respective business, properties, assets, prospects, operations or financial condition, that would be required to be disclosed by the Company under applicable securities laws on a registration statement filed with the SEC relating to an issuance and sale by the Company of its Common Stock and which has not been publicly announced.

4.11 EMPLOYEE RELATIONS. Neither the Company nor any of its Subsidiaries is involved in any union labor dispute nor, to the knowledge of the Company or any of its Subsidiaries, is any such dispute threatened. Neither the Company nor any of its Subsidiaries is a party to a collective bargaining agreement, and the Company and its Subsidiaries believe that relations with their employees are good. No executive officer (as defined in Rule 501(f) of the 1933 Act) has notified the Company that such officer intends to leave the Company's employ or otherwise terminate such officer's employment with the Company.

10

4.12 INTELLECTUAL PROPERTY RIGHTS. The Company and its Subsidiaries own or possess adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and rights necessary to conduct their respective businesses as now conducted. Except as set forth in the SEC Documents, none of the Company's trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, government authorizations, trade secrets or other intellectual property rights necessary to conduct its business as now or as proposed to be conducted have expired or terminated, or are expected to expire or terminate within three (3) years from the date of this Agreement. The Company and its Subsidiaries do not have any knowledge of any infringement by the Company or its Subsidiaries of trademark, trade name rights, patents, patent rights, copyrights, inventions, licenses, service names, service marks, service mark registrations, trade secret or other similar rights of others, or of any such development of similar or identical trade secrets or technical information by others and, except as set forth in the SEC Documents, there is no claim, action or proceeding being made or brought against, or to the Company's knowledge, being threatened against, the Company or its Subsidiaries regarding trademark, trade name, patents, patent rights, invention, copyright, license, service names, service marks, service mark registrations, trade secret or other infringement; and the Company and its Subsidiaries are unaware of any facts or circumstances which might give rise to any of the foregoing. 4.13 ENVIRONMENTAL LAWS. The Company and its Subsidiaries (i) are, to the knowledge of the management and directors of the Company and its Subsidiaries, in compliance with any and all applicable foreign, federal, state and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants ("**Environmental Laws**"); (ii) have, to the knowledge of the management and directors of the Company, received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses; and (iii) are in compliance, to the knowledge of the management and directors of the Company, with all terms and conditions of any such permit, license or approval where, in each of the three (3) foregoing cases, the failure to so comply would have, individually or in the aggregate, a Material Adverse Effect.

4.14 TITLE. The Company and its Subsidiaries have good and marketable title to all personal property owned by them which is material to the business of the Company and its Subsidiaries, in each case free and clear of all liens, encumbrances and defects except such as are described in the SEC Documents or such as do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company or any of its Subsidiaries. Any real property and facilities held under lease by the Company or any of its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its Subsidiaries.

4.15 INSURANCE. Each of the Company's Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company reasonably believes to be prudent and customary in the businesses in which the Company and its Subsidiaries are engaged. Neither the Company nor any of its Subsidiaries has been refused any insurance coverage sought or applied for and neither the Company nor its Subsidiaries has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

4.16 REGULATORY PERMITS. The Company and its Subsidiaries have in full force and effect all certificates, approvals, authorizations and permits from the appropriate federal, state, local or foreign regulatory authorities and comparable foreign regulatory agencies, necessary to own, lease or operate their respective properties and assets and conduct their respective businesses, and neither the Company nor any such Subsidiary has received any notice of proceedings relating to the revocation or modification of any such certificate, approval, authorization or permit, except for such certificates, approvals, authorizations or permits which if not obtained, or such revocations or modifications which, would not have a Material Adverse Effect.

11

4.17 INTERNAL ACCOUNTING CONTROLS. Except as otherwise set forth in the SEC Documents, the Company and each of its Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles by a firm with membership to the PCAOB and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company's management has determined that the Company's internal accounting controls were not effective as of the date of this Agreement as further described in the SEC Documents.

4.18 NO MATERIALLY ADVERSE CONTRACTS, ETC. Neither the Company nor any of its Subsidiaries is subject to any charter, corporate or other legal restriction, or any judgment, decree, order, rule or regulation which in the judgment of the Company's officers has or is expected in the future to have a Material Adverse Effect. Neither the Company nor any of its Subsidiaries is a party to any contract or agreement which in the judgment of the Company's officers has or is expected to have a Material Adverse Effect.

4.19 TAX STATUS. The Company and each of its Subsidiaries has made or filed all United States federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that the Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) and has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim.

4.20 CERTAIN TRANSACTIONS. Except as set forth in the SEC Documents filed at least ten (10) days prior to the date hereof and except for arm's length transactions pursuant to which the Company makes payments in the ordinary course of business upon terms no less favorable than the Company could obtain from disinterested third parties, none of the officers, directors, or employees of the Company is presently a party to any transaction with the Company or any of its Subsidiaries (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, such that disclosure would be required in the SEC Documents.

12

4.21 DILUTIVE EFFECT. The Company understands and acknowledges that the number of shares of Common Stock issuable upon purchases pursuant to this Agreement will increase in certain circumstances including, but not necessarily limited to, the circumstance wherein the trading price of the Common Stock declines during the period between the Effective Date and the end of the Open Period. The Company's executive officers and directors have studied and fully understand the nature of the transactions contemplated by this Agreement and recognize that they have a potential dilutive effect on the shareholders of the Company. The Board of Directors of the

Company has concluded, in its good faith business judgment, and with full understanding of the implications, that such issuance is in the best interests of the Company. The Company specifically acknowledges that, subject to such limitations as are expressly set forth in the Registered Offering Transaction Documents, its obligation to issue shares of Common Stock upon purchases pursuant to this Agreement is absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other shareholders of the Company.

4.22 NO GENERAL SOLICITATION. Neither the Company, nor any of its affiliates, nor any person acting on its behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Common Stock to be offered as set forth in this Agreement.

4.23 NO BROKERS, FINDERS OR FINANCIAL ADVISORY FEES OR COMMISSIONS. No brokers, finders or financial advisory fees or commissions will be payable by the Company, its agents or Subsidiaries, with respect to the transactions contemplated by this Agreement.

4.24 EXCLUSIVITY. The Company shall not pursue a similar equity financing transaction as envisioned hereunder (the "Equity Financing") with any other party unless and until good faith negotiations have terminated between the Investor and the Company or until such time as the Registration Statement has been declared effective by the SEC.

SECTION V COVENANTS OF THE COMPANY

5.1 COMMERCIALY REASONABLE EFFORTS. The Company shall use all commercially reasonable efforts to timely satisfy each of the conditions set forth in Section 7 of this Agreement.

5.2 REPORTING STATUS. Until one of the following occurs, the Company shall file all reports required to be filed with the SEC pursuant to the 1934 Act, and the Company shall not terminate its status, or take an action or fail to take any action, which would terminate its status as a reporting company under the 1934 Act: (i) this Agreement terminates pursuant to Section 8 and the Investor has the right to sell all of the Securities without restrictions pursuant to Rule 144 promulgated under the 1933 Act, or such other exemption, or (ii) the date on which the Investor has sold all the Securities and this Agreement has been terminated pursuant to Section 8.

5.3 USE OF PROCEEDS. The Company will use the proceeds from the sale of the Put Shares (excluding amounts paid by the Company for fees as set forth in the Registered Offering Transaction Documents) for general corporate and working capital purposes and acquisitions or assets, businesses or operations or for other purposes that the Board of Directors, in good faith, deem to be in the best interest of the Company.

5.4 FINANCIAL INFORMATION. During the Open Period, the Company agrees to make available to the Investor via EDGAR or other electronic means the following documents and information on the forms set forth: (i) within five (5) Trading Days after the filing thereof with the SEC, a copy of its Annual Reports on Form 10-K, its Quarterly Reports on Form 10-Q, any Current Reports on Form 8-K and any Registration Statements or amendments filed pursuant to the 1933 Act; (ii) copies of any notices and other information made available or given to the shareholders of the Company generally, contemporaneously with the making available or giving thereof to the shareholders; and (iii) within two (2) calendar days of filing or delivery thereof, copies of all documents filed with, and all correspondence sent to, the Principal Market, any securities exchange or market, or the Financial Industry Regulatory Association, unless such information is material nonpublic information.

13

5.5 RESERVATION OF SHARES. The Company shall take all action necessary to at all times have authorized, and reserved the amount of Shares included in the Company's registration statement for issuance pursuant to the Registered Offering Transaction Documents. In the event that the Company determines that it does not have a sufficient number of authorized shares of Common Stock to reserve and keep available for issuance as described in this Section 5.5, the Company shall use all commercially reasonable efforts to increase the number of authorized shares of Common Stock by seeking shareholder approval for the authorization of such additional shares.

5.6 LISTING. The Company shall promptly secure and maintain the listing of all of the Registrable Securities (as defined in the Registration Rights Agreement) on the Principal Market and each other national securities exchange and automated quotation system, if any, upon which shares of Common Stock are then listed (subject to official notice of issuance) and shall maintain, such listing of all Registrable Securities from time to time issuable under the terms of the Registered Offering Transaction Documents. Neither the Company nor any of its Subsidiaries shall take any action which would be reasonably expected to result in the delisting or suspension of the Common Stock on the Principal Market (excluding suspensions of not more than one (1) Trading Day resulting from business announcements by the Company). The Company shall promptly provide to the Investor copies of any notices it receives from the Principal Market regarding the continued eligibility of the Common Stock for listing on such automated quotation system or securities exchange. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 5.6.

5.7 TRANSACTIONS WITH AFFILIATES. The Company shall not, and shall cause each of its Subsidiaries not to, enter into, amend, modify or supplement, or permit any Subsidiary to enter into, amend, modify or supplement, any agreement, transaction, commitment or arrangement with any of its or any Subsidiary's officers, directors, persons who were officers or directors at any time during the previous two (2) years, shareholders who beneficially own 5% or more of the Common Stock, or Affiliates or with any individual related by blood, marriage or adoption to any such individual or with any entity in which any such entity or individual owns a 5% or more beneficial interest (each a "**Related Party**"), except for (i) customary employment arrangements and benefit programs on reasonable terms, (ii) any agreement, transaction, commitment or arrangement on an arms-length basis on terms no less favorable than terms which would have been obtainable from a disinterested third party other than such Related Party, or (iii) any agreement, transaction, commitment or arrangement which is approved by a majority of the disinterested directors of the Company. For purposes hereof, any director who is also an officer of the Company or any Subsidiary of the Company shall not be a disinterested director with respect to any such agreement, transaction, commitment or arrangement. 2.3 The Company agrees not to include any other securities in the Registration Statement covering the Registrable Securities without Investor’s prior written consent which Investor may withhold in its sole discretion. Furthermore, the Company agrees that it will not file any other Registration Statement for other securities, until thirty (30) calendar days after the Registration Statement for the Registrable Securities is declared effective by the SEC.

2.4 Notwithstanding the registration obligations set forth in Section 2.1, if the staff of the SEC (the “**Staff**”) or the SEC informs the Company that all of the unregistered Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single Registration Statement, the Company agrees to promptly (i) inform the Investor and use its commercially reasonable efforts to file amendments to the Registration Statement as required by the SEC and/or (ii) withdraw the Registration Statement and file a new registration statement (the “**New Registration Statement**”), in either case covering the maximum number of Registrable Securities permitted to be registered by the SEC, on Form S-1 to register for resale the Registrable Securities as a secondary offering. If the Company amends the Registration Statement or files a New Registration Statement, as the case may be, under clauses (i) or (ii) above, the Company will use its commercially reasonable efforts to file with the SEC, as promptly as allowed by the Staff or SEC, one or more registration statements on Form S-1 to register for resale those Registrable Securities that were not registered for resale on the Registration Statement, as amended, or the New Registration Statement (each, an “**Additional Registration Statement**”).

SECTION III RELATED OBLIGATIONS

At such time as the Company is obligated to prepare and file the Registration Statement with the SEC pursuant to Section 2.1, the Company will affect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, with respect thereto, the Company shall have the following obligations:

3.1 The Company shall use all commercially reasonable efforts to cause such Registration Statement relating to the Registrable Securities to become effective and shall keep such Registration Statement effective until the earlier to occur of the date on which (A) the Investor shall have sold all the Registrable Securities; or (B) the Investor has no right to acquire any additional shares of Common Stock under the Equity Financing Agreement (the “**Registration Period**”). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading. The Company shall use all commercially reasonable efforts to respond to all SEC comments within ten (10) business days from receipt of such comments by the Company. The Company shall use all commercially reasonable efforts to cause the Registration Statement relating to the Registrable Securities to become effective no later than three (3) business days after notice from the SEC that the Registration Statement may be declared effective. The Investor agrees to provide all information which is required by law to provide to the Company, including the intended method of disposition of the Registrable Securities, and the Company’s obligations set forth above shall be conditioned on the receipt of such information.

3.2 The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to the Registration Statement and the prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the 1933 Act, as may be necessary to keep such Registration Statement effective during the Registration Period, and, during such period, comply with the provisions of the 1933 Act with respect to the disposition of all Registrable Securities of the Company covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the Investor thereof as set forth in such Registration Statement. In the event the number of shares of Common Stock covered by the Registration Statement filed pursuant to this Agreement is at any time insufficient to cover all of the Registrable Securities, the Company shall amend such Registration Statement, or file a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover all of the Registrable Securities, in each case, as soon as practicable, but in any event within thirty (30) calendar days after the necessity therefor arises (based on the then Purchase Price of the Common Stock and other relevant factors on which the Company reasonably elects to rely), assuming the Company has sufficient authorized shares at that time, and if it does not, within thirty (30) calendar days after such shares are authorized. The Company shall use commercially reasonable efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof.

3.3 The Company shall make available to the Investor and its legal counsel without charge (i) promptly after the same is prepared and filed with the SEC at least one (1) copy of such Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits, the prospectus included in such Registration Statement (including each preliminary prospectus) and, with regards to such Registration Statement(s), any correspondence by or on behalf of the Company to the SEC or the staff of the SEC and any correspondence from the SEC or the staff of the SEC to the Company or its representatives; (ii) upon the effectiveness of any Registration Statement, the Company shall make available copies of the prospectus, via EDGAR, included in such Registration Statement and all amendments and supplements thereto; and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time to facilitate the disposition of the Registrable Securities.

3.4 The Company shall use commercially reasonable efforts to (i) register and qualify the Registrable Securities covered by the Registration Statement under such other securities or “blue sky” laws of such states in the United States as the Investor reasonably requests; (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period; (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3.4, or (y) subject itself to general taxation in any such jurisdiction. The Company shall promptly notify the Investor of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

3.5 As promptly as practicable after becoming aware of such event, the Company shall notify Investor in writing of the happening of any event as a result of which the prospectus included in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (“**Registration Default**”) and use all diligent efforts to promptly prepare a supplement or amendment to such Registration Statement and take any other necessary steps to cure the Registration Default (which, if such Registration Statement is on Form S-3, may consist of a document to be filed by the Company with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the 1934 Act (as defined below) and to be incorporated by reference in the prospectus) to correct such untrue statement or omission, and make available copies of such supplement or amendment to the Investor. The Company shall also promptly notify the Investor (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when the Registration Statement or any post-effective amendment has become effective (the Company will prepare notification of such effectiveness which shall be delivered to the Investor on the same day of such effectiveness and by overnight mail), additionally, the Company will promptly provide to the Investor, a copy of the effectiveness order prepared by the SEC once it is received by the Company; (ii) of any request by the SEC for amendments or supplements to the Registration Statement or related prospectus or related information, (iii) of the Company’s reasonable determination that a post-effective amendment to the Registration Statement would be appropriate, (iv) in the event the Registration Statement is no longer effective, or (v) if the Registration Statement is stale as a result of the Company’s failure to timely file its financials or otherwise

3.6 The Company shall use all commercially reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of the Registration Statement, or the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor holding Registrable Securities being sold of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding concerning the effectiveness of the registration statement.

3.7 The Company shall permit the Investor and legal counsel, designated by the Investor, to review and comment upon the Registration Statement and all amendments and supplements thereto at least one (1) calendar day prior to their filing with the SEC. However, any postponement of a filing of a Registration Statement or any postponement of a request for acceleration or any postponement of the effective date or effectiveness of a Registration Statement by written request of the Investor (collectively, the “**Investor’s Delay**”) shall not act to trigger any penalty of any kind, or any cash amount due or any in-kind amount due the Investor from the Company under any and all agreements of any nature or kind between the Company and the Investor. The event(s) of an Investor’s Delay shall act to suspend all obligations of any kind or nature of the Company under any and all agreements of any nature or kind between the Company and the Investor.

3.8 At the request of the Investor, the Company’s counsel shall furnish to the Investor, within two (2) business days, an opinion letter confirming the effectiveness of the registration statement. Such opinion letter shall be issued as of the date of the effectiveness of the registration statement, in a form suitable to the Investor.

3.9 The Company shall hold in confidence and not make any disclosure of information concerning the Investor unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement, or

(iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction. The Company agrees that it shall, upon learning that disclosure of such information concerning the Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to the Investor and allow the Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order covering such information.

3.10 The Company shall use all commercially reasonable efforts to maintain designation and quotation of all the Registrable Securities covered by any Registration Statement on the Principal Market. If, despite the Company's commercially reasonable efforts, the Company is unsuccessful in satisfying the preceding sentence, it shall use commercially reasonable efforts to cause all the Registrable Securities covered by any Registration Statement to be listed on each other national securities exchange and automated quotation system, if any, on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange or system. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3.10.

3.11 The Company shall cooperate with the Investor to facilitate the prompt preparation and delivery of the Registrable Securities to be offered pursuant to the Registration Statement and enable such Registrable Securities to be in such denominations or amounts, as the case may be, as the Investor may reasonably request.

3.12 The Company shall provide a transfer agent for all the Registrable Securities not later than the effective date of the first Registration Statement filed pursuant hereto.

3.13 If requested by the Investor, the Company shall (i) as soon as reasonably practical incorporate in a prospectus supplement or post-effective amendment such information as the Investor reasonably determines should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the offering of the Registrable Securities to be sold in such offering; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as reasonably possible after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any Registration Statement if reasonably requested by the Investor.

3.14 The Company shall use all commercially reasonable efforts to cause the Registrable Securities covered by the applicable Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to facilitate the disposition of such Registrable Securities.

3.15 The Company shall otherwise use all commercially reasonable efforts to comply with all applicable rules and regulations of the SEC in connection with any registration hereunder.

3.16 Within three (3) business day after the Registration Statement is declared effective by the SEC, the Company shall deliver to the transfer agent for such Registrable Securities, with copies to the Investor, confirmation that such Registration Statement has been declared effective by the SEC.

3.17 The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to the Registration Statement.

SECTION IV OBLIGATIONS OF THE INVESTOR

4.1 At least five (5) calendar days prior to the first anticipated filing date of the Registration Statement, the Company shall notify the Investor in writing of the information the Company requires from the Investor for the Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities and the Investor agrees to furnish to the Company that information regarding itself, the Registrable Securities and the intended method of disposition of the Registrable Securities as shall reasonably be required to effect the registration of such Registrable Securities and the Investor shall execute such documents in connection with such registration as the Company may reasonably request. The Investor covenants and agrees that, in connection with any sale of Registrable Securities by it pursuant to the Registration Statement, it shall comply with the "Plan of Distribution" section of the then current prospectus relating to such Registration Statement.

4.2 The Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any Registration Statement hereunder, unless the Investor has notified the Company in writing of an election to exclude all of the Investor's Registrable Securities from such Registration Statement.

4.3 The Investor agrees that, upon receipt of written notice from the Company of the happening of any event of the kind described in Section 3.6 or the first sentence of 3.5, the Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3.6 or the first sentence of 3.5.

SECTION V EXPENSES OF REGISTRATION

All legal expenses, other than underwriting discounts and commissions and other than as set forth in the Equity Financing Agreement, incurred in connection with registrations including comments, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, and printing fees shall be paid by the Company.

SECTION VI INDEMNIFICATION

In the event any Registrable Securities are included in the Registration Statement under this Agreement:

6.1 To the fullest extent permitted by law, the Company, under this Agreement, will, and hereby does, indemnify, hold harmless and defend the Investor who holds Registrable Securities, the directors, officers, partners, employees, counsel, agents, representatives of, and each Person, if any, who controls, any Investor within the meaning of the 1933 Act or the Securities Exchange Act of 1934, as amended (the "1934 Act") (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, attorneys' fees, amounts paid in settlement or expenses, joint or several (collectively, "Claims"), incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which the Investor has requested in writing that the Company register or qualify the Shares ("Blue Sky Filing"), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which the statements therein were made, not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the final

prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, or (iii) any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement (the matters in the foregoing clauses (i) through (iii) being, collectively, “Violations”). Subject to the restrictions set forth in Section 6.3 the Company shall reimburse the Investor and each such controlling person, promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6.1: (i) shall not apply to a Claim arising out of or based upon a Violation which is due to the inclusion in the Registration Statement of the information furnished to the Company by any Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto; (ii) shall not be available to the extent such Claim is based on (a) a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company or (b) the Indemnified Person’s use of an incorrect prospectus despite being promptly advised in advance by the Company in writing not to use such incorrect prospectus; (iii) any omission of the Investor to notify the Company of any material fact that should be stated in the Registration Statement or prospectus relating to the Investor or the manner of sale; and (iv) any amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the resale of the Registrable Securities by the Investor pursuant to the Registration Statement.

6.2 In connection with any Registration Statement in which Investor is participating, the Investor agrees to severally and jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6.1, the Company, each of its directors, each of its officers who signs the Registration Statement, each Person, if any, who controls the Company within the meaning of the 1933 Act or the 1934 Act and the Company’s agents (collectively and together with an Indemnified Person, an “Indemnified Party”), against any Claim or Indemnified Damages to which any of them may become subject, under the 1933 Act, the 1934 Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation is due to the inclusion in the Registration Statement of the written information furnished to the Company by the Investor expressly for use in connection with such Registration Statement; and, subject to Section 6.3, the Investor will reimburse any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; *provided, however,* that the indemnity agreement contained in this Section 6.2 and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld; provided, further, however, that the Investor shall only be liable under this Section 6.2 for that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the resale of the Registrable Securities by the Investor pursuant to the Registration Statement. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6.2 with respect to any preliminary prospectus shall not inure to the benefit of any Indemnified Party if the untrue statement or omission of material fact contained in the preliminary prospectus were corrected on a timely basis in the prospectus, as then amended or supplemented. This indemnification provision shall apply separately to each Investor and liability hereunder shall not be joint and several.

6.3 Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the Indemnified Person or Indemnified Party, the representation by counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The indemnifying party shall pay for only one (1) separate legal counsel for the Indemnified Persons or the Indemnified Parties, as applicable, and such counsel shall be selected by the Investor, if the Investor is entitled to indemnification hereunder, or the Company, if the Company is entitled to indemnification hereunder, as applicable. The Indemnified Person or Indemnified Party shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding affected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Person or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Person or Indemnified Person of a release from all liability in respect to such Claim. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Person or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

6.4 The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

SECTION VII CONTRIBUTION

7.1 To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no contribution shall be made under circumstances where the maker would not have been liable for indemnification under the fault standards set forth in Section 6; (ii) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (iii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

SECTION VIII REPORTS UNDER THE 1934 ACT

8.1 With a view to making available to the Investor the benefits of Rule 144 promulgated under the 1933 Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration (“Rule 144”), provided that the Investor holds any Registrable Securities are eligible for resale under Rule 144, the Company agrees to:

- a. make and keep adequate current public information available, as those terms are understood and defined in Rule 144;

- b. file with the SEC in a timely manner all reports and other documents required of the Company under the 1933 Act and the 1934 Act so long as the Company remains subject to such requirements (it being understood that nothing herein shall limit the Company's obligations under Section 5(c) of the Equity Financing Agreement) and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and
- c. furnish to the Investor, promptly upon request, (i) a written statement by the Company that it has complied with the reporting requirements of Rule 144, the 1933 Act and the 1934 Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration.

WHEREAS:

Subject to the terms and conditions set forth in this Agreement, the Company wishes to sell to the Investor, and the Investor wishes to buy from the Company, up to Six Million Dollars (\$6,000,000) of the Company’s common stock, \$0.0001 par value per share (the “Common Stock”) in one or more closings. The shares of Common Stock to be purchased hereunder are referred to herein as the “Purchase Shares” or “Securities.” The offer and sale of the Securities will be registered under the Securities Act pursuant to the Registration Statement.

1. CERTAIN DEFINITIONS.

For purposes of this Agreement, the following terms shall have the following meanings:

(a) “Available Amount” means, up to Six Million Dollars (\$6,000,000) in the aggregate, which amount shall be reduced by the number of shares of Common Stock purchased each time the Investor purchases shares of Common Stock pursuant to this Agreement, provided, however, that in no event will the Investor purchase more than Forty Five Million Nine Hundred Twenty Three Thousand and Nine Hundred Twenty Nine (45,923,929) shares of Common Stock in total pursuant to this Agreement. When the term “Available Amount” is used in this Agreement, it refers to the “up to Six Million Dollars (\$6,000,000) in the aggregate” portion of this definition.
